

BUSINESS PARK 8, GLEISDORF

AUSTRIA

BPGS GmbH is building a new office and commercial building in Gleisdorf with two basements, three upper floors and a penthouse. A total of 100 above-ground and 22 underground parking spaces are foreseen. Completion of the 3.100 m² office space and 1.100 m² cellar and storage space is scheduled for June 2019. The building will be constructed in reinforced concrete. The ceiling construction consists of point-bearing mushroom ceilings.

On behalf of the general designer ingenos ZT GmbH, convex ZT GmbH is responsible for the structural design and on-site reinforcement checking.
