

PAPER MILL RUŽEMBEROK, MONDI

SLOVAKIA

mondi builds a new paper machine in the Slovakian Ružomberok mill. The PM 19 will have a capacity of 300,000 tpy and will produce a new quality of corrugated base paper – kraft top white – which has a certain mix of virgin fiber and recycled fibers and is intended for applications in e-commerce packaging and shelf-compatible packaging. The start of PM 19 is scheduled for the end of 2020.

convex ZT GmbH supports the mondi project team on site with regard to construction management and civil works site supervision.
